

# Lord, Send the Fire of Love Divine

Text: Created in collaboration with AI tools and the pastoral musicians of BCAP © 2025

1. Lord, you have come to your light a flame And set the 1. Lord, you have come to your light a flame And set the  
2. The pro phets bore from the word, Through To mocked, the 2. The pro phets bore from the word, Through To mocked, the  
3. O Christ, you call from the meal go where the 3. O Christ, you call from the meal go where the

world nored, a - right; Your They word, a sword, di -  
few will viled; To serve their ground through to

vides fire speak the and dark And With draws us by to your de light.  
fire speak the and dark And With draws us by to your de light.

Not Now ease nor with peace Christ, a - lone you give, But  
Now fed with cour our liv ing, food, We To

strength rise to speak and stand To love the To That love car - the To That love car - the  
live what do the pro - same ry truth, To That love car - the To That love car - the  
bear shad ows cross, To And live sing your bold com - mand.  
work may cling, The The re your ho ly name.
